

Counselor's Corner

twilliford@bethanyschools.com

Welcome Back!

I'm sure that the struggle in your house last week was similar to mine in that no one was exactly anxious to get back to school. The good news, however, is that we're halfway through this school year and have many exciting events to look forward to.

In addition to our basketball season continuing, we will soon begin our track, baseball, and soccer seasons. We will also have multiple Choir, Orchestra, and Band competitions and concerts. We end the month of April with our all-school musical, "Shrek," and state testing kicks off in early May with all 6th, 7th, and 8th graders taking their OSTPs,

With so many upcoming events, there's a place for every parent to be involved. Thank you for enabling us to serve our students with excellence through your amazing parental support!
