WEEKLY ASSIGNMENTS

Please check our website at [www. Bethanyschools.com](http://www.Bethanyschools.com) Teachers will post all assignments and relevant information on this website. Most of them have links to their own personal website. This is a great way for parents to keep up with homework or tests coming up.

Website Information

Parent Portal

Parent Portal is another means of communication that BMS utilizes. With the Parent Portal you may log in to the website and check your child's grades, attendance and personal information. If you help your student study for a test one evening, you can log on to Parent Portal and see what your child made on that test or check to see if your student made it to class on time. It is a great tool for parents to keep an eye on your student's activities.

To sign in to Parent Portal for the first time or troubleshoot log in issues, please see Kristie Escoe in the middle school office. You must take your I.D. with you. She will issue you your login password and give you the information on how to use the system.
