Frequently Asked Questions

Will there be paper tickets available instead of online tickets?

- All tickets ***MUST*** be booked online. Once tickets are booked online you can print off the barcode for each individual ticket to be scanned at the door or show the barcode on your mobile device.

Can I book all 10 tickets and hand them out myself?

- Yes, if you book all 10 tickets at once you will get a pdf with all 10 tickets emailed to you. At that point you can print off the 10 tickets, which will include the barcode, and give to your guests of the ceremony to use when they arrive.

Do we have to print off our tickets?

- No, you can either use the Ticket Spicket mobile app to redeem your tickets or show the barcode from your confirmation email. If using the app you can redeem multiple tickets at once for easier entry. If using your confirmation email you will have to scan the barcode for each ticket being redeemed.

Where will the tickets be scanned?

- Tickets will be scanned at the exterior doors starting at 6:00 PM. There will be entrances on the east side and north side of the church. You must have a ticket to gain entry into the building.

What to Know About Your Tickets

- ****IMPORTANT**** - Each student's set of ten (10) tickets **MUST** be booked by 11:59 PM on **Friday, May 5**. After that any unclaimed tickets will be moved into a pool of general admission tickets and NO LONGER RESERVED FOR THE STUDENT.
- Ten (10) tickets can be booked with the code given to each student, up until 11:59 PM on **Friday, May 5**.
- Once a ticket is booked, it **CANNOT** be "unbooked". We recommend being very careful to whom the code is given. Anyone with the code can book up to 10 tickets if 10 tickets are still available under that students' code.
- A screenshot or picture of the barcode will work for entry. Just make sure to not send the same barcode to two people. Once a barcode is scanned at the door a second person with the same barcode would not be admitted.
- We will have a helpdesk available for issues. We will close the helpdesk at 6:50 PM, so we would ask that everyone is inside the building by then or help may not be available. We are doing this to avoid having late arrivals interrupt the ceremony which will start promptly at 7:00 PM.
