Wednesday FLEX

Each Wednesday our MS students come to the PAC (Performing Arts Center) as a grade level to take part in a 30-minute instructional session where I talk about upcoming events, review school policies, present guidance lessons, and explain strategies for coping with adolescence and being successful in middle school.

During our first FLEX of this school year, we reviewed the BMS Student Handbook, talked about BMS Guidelines for Success, our mark system, and our positive behavior intervention system (purple tickets). It is my goal to use this valuable time each week to connect with our students and to make a positive impact on them that will set the stage for their being healthy, happy, involved, and successful students, friends, and humans. If you ever have any questions about my weekly lessons, please, don't hesitate to contact me. I'm more than happy to share any lesson with you.
