## Important TESTING Information For BMS Families

Tomorrow, May 2, we will begin administering the OSTP (Oklahoma State Testing Program) Tests, and we will continue testing daily through Friday, May 5. **Not all students will be tested everyday**, but we want to encourage all of our students to come to school each day prepared to be successful by implementing the following practices:

1. Go to bed early each night.
2. Eat a healthy breakfast.
3. Arrive at school on time.
4. Leave phones and smart watches at home or in your locker. They are not allowed in the testing room.
5. Be confident.

Thank you so much for supporting your child during this very important time. If you have any questions, please contact the middle school office, 405-787-3240.
