Bethany athletic physicals for the 2021-2022 school year are scheduled for May 4th, 2021. To help reduce lines and wait times, girls' physicals will be at 6:00 pm and boys' physicals will be at 6:45 pm. This will take place at the BPS Sports Facility (next to the middle school football/baseball fields.) All students will need a physical to play sports at school, and the funds raised through these physicals at school help pay for equipment and training for our students. Thank you for your support!

PERFORMANCE COURSE INFORMATION

Bethany Athletics has once again partnered with the Performance Course to provide their top of the line summer strength and conditioning program for our athletes. PC is the #1 training program for developing MS and HS athletes in the nation. They are specialists in training both MS and HS athletes safely and with absolute effectiveness. Their track record has produced numerous state championships in multiple states in basketball, football, volleyball, track & field, soccer, baseball, and other sports. In addition to the physical training they are excellent in the area of team building and preparing our athletes to be the best teammates they can be.

This summer's course runs from June 6th - July 30. It is a seven week program and there is no PC during the week of June 28th-July 2nd. The HS male athletes session goes from 7:00 AM - 8:30 AM. The MS male and HS & MS female session runs from 9:15 AM - 10:45 AM. We will also once again offer an elementary developmental session for Kindergarten-5th graders that will happen during July Only from 11:00 AM - 11:45 AM. The cost is \$150 if paid by May 3rd and then \$170 after that. The cost for the elementary session is \$75. If any Bethany families need financial assistance to cover the cost of the course we have the ability to work that out through the Performance Course. Please contact the Athletic Director, Jon Arthur, if you need financial help. If you have any questions on this please let Coach Arthur know at jarthur@bethanyschools.com. Thanks!

Parent Portal

Parent Portal is another means of communication that BMS utilizes. With the Parent Portal you may log in to the website and check your child's grades, attendance and personal information. If you help your student study for a test one evening, you can log on to Parent Portal and see what your child made on that test or check to see if your student made it to class on time. It is a great tool for parents to keep an eye on your student's activities.

To sign in to Parent Portal for the first time or troubleshoot log in issues, please see Kristie Escoe in the middle school office. You must take your I.D. with you. She will issue you your login password and give you the information on how to use the system.
