Parents, The athletic department is selling STUDENT ALL SPORTS PASSES for \$30 this year which will get any student (1st-12th grade) into all regular season HS or MS sporting events all year long. Also, if the student purchased a pass during last school year they will only cost \$20 this year. We are giving this price break to those of you who purchased a pass last year since we limited attendance at basketball games during the 2020-2021 season. You can find all of the information here:

WEEKLY ASSIGNMENTS

Please check our website at [www. Bethanyschools.com](http://www.Bethanyschools.com) Teachers will post all assignments and relevant information on this website. Most of them have links to their own personal website. This is a great way for parents to keep up with homework or tests coming up.

Website Information

Parent Portal

Parent Portal is another means of communication that BMS utilizes. With the Parent Portal you may log in to the website and check your child's grades, attendance and personal information. If you help your student study for a test one evening, you can log on to Parent Portal and see what your child made on that test or check to see if your student made it to class on time. It is a great tool for parents to keep an eye on your student's activities.

To sign in to Parent Portal for the first time or troubleshoot log in issues, please see Kristie Escoe in the middle school office. You must take your I.D. with you. She will issue you your login password and give you the information on how to use the system.
